

PLEXICOR®

PLEXICOR SOLID SURFACE MATERIAL

PLEXICOR® - Unlimited Creativity

From the idea for a mineral material that is versatile and universally applicable to individual fabrication.

PLEXICOR®

is a high-quality acrylic solid surface material mainly composed of the natural mineral aluminium hydroxide.

PLEXICOR® is a solid, homogeneous and perfectly smooth material.

The shape of your imagination

Form, color and functionality -

PLEXICOR® enables individual solutions
